Plan Rules

Benefit Selections

Benefits are selected by the group and not the employee. For Example: Orthodontia benefits are available to all employees of the group and cannot be individually selected.

Contribution/Participation

The employer must contribute a minimum of 50% of the employee premium. 75% of the eligible employees must participate in the plan and 100% must participate if the employer contribution is 100% of the employee premium.

Employees

All employees of the employer who are performing active work on a full time basis (20 hours a week or over) are eligible for benefits, including corporate officers, owners, and/or partners.

Dependents

All eligible dependents must enroll on the original effective date.

Dependents can also be added for a later effective date if they are newly eligible or as part of an open enrollment process.

Eligible dependents include legal spouse or domestic partner and unmarried children to age 19, or to age 25 if enrolled in an accredited school, college or university. The employer is responsible to report any changes to a dependent's eligibility to Wolfpack Insurance Services, Inc.

Newborn children do not need to enroll until just before their first dental appointment, usually before age 4.

Domestic Partners are defined as same-sex and opposite-sex couples registered with any government agency authorizing such registrations. Domestic Partners are subject to the same terms and conditions as any other dependent.

Effective date

When a firm joins the Plan the coverage of its current employees will be effective on the first day of the month following approval of the firm's application to participate. Additions to the plan will be effective the first of the month after the elected probationary period from the employee's date of hire.

Billing Questions

Invoices are mailed on or about the 10th of the month prior to the coverage month and are due on the 25th of the month prior to the coverage month. Cancellation of the plan will result if premium is not received by the end of the month shown on the invoice as the 'Invoice for' month. Eligibility will not be reported unless premium for the month is fully paid. Return checks are subject to a \$20.00 fee. A monthly administration fee of \$10.00 is charged to all groups of less than 20 enrolled employees.

Enrollment materials are available for download at our website, www.DVIns.com.
