DeltaPremier is easy to use

This DeltaPremier plan is a managed fee-for-service program with freedom to choose any dentist.

Under the DeltaPremier program, you may visit any licensed dentist you wish. More than 92% of all dentists statewide are Delta Premier Dentists. With a DeltaPremier Dentist your fees have been certified by Delta as usual, customary and reasonable. You are only responsible for the patient share (defined below).

The program pays a percentage for covered services; you may be charged only what Delta determines is the 'patient share.' Patient Share is the copayment, any deductible and any amount over the annual maximum. Some services may not be covered; please refer to your Evidence of Coverage.

To use the program, just call the dental office of your choice and make an appointment. During your first appointment, give your dentist the primary enrollee's social security number and the group number shown on your wallet card. If you wish to obtain a list of Delta Premier dentists in your area, please search on line at www.deltadentalca.org or call 800-427-3237.

Services that are not covered

Although your program covers many of the most commonly needed services, some services are not covered. If you are unsure whether a particular procedure is covered, or how much of it is paid for by your program, check with Delta Dental before proceeding.

The following are not covered by the program:

- Services for injuries or conditions covered under Workers' Compensation or Employer's Liability Laws
- Cosmetic surgery or dentistry or services to correct congenital malformation
- Experimental procedures
- Therapeutic drugs, premedication or pain relievers
- Hospital costs or extra charges for hospital treatment
- Anesthesia (except for general anesthesia for oral surgery)
- Extra-oral grafts
- Treatment related to the temporomandibular joint (TMJ)

The preceding information is not intended for use as a summary plan description, nor is it designed to serve as an Evidence of Coverage for the program. This document is not a guarantee of covered benefits, services or payments.
